Webinar Sponsorship

healthsystemCIO's Webinar Program brings high-level education to our audience every week. Our editors select the industry's most relevant topics and recruit CIO speakers to address them. Our Custom Webinars allow the sponsor to select the topic and speakers, providing an additional level of control.

- Topic decided by healthsystemCIO and sponsor
- Webinar is promoted on healthsystemCIO, in our weekly eNewsletter, in two dedicated email blasts and through our social media channels – all including sponsor logo and, in some cases, sponsor overview

During The Webinar

- Panel format - sponsor is able to direct the questions and add a speaker to the panel
- Traditional PowerPoint presentation format - sponsor delivers a 10 minute presentation after the main speaker and before the live Q&A
- Live integrated TweetChat during event
- Sponsor may ask two polling questions during webinar
- Sponsor logo on all presentation slides
- One continuing education credit given for CHIME's CHCIO program. Other CEU Programs may also qualify.

After the Webinar

- Sponsor receives complete contact information of everyone who registers – name, title, company, email address, physical address, phone
- Sponsor receives MP4 file of the Webinar
- Webinar archive is posted to the healthsystemCIO YouTube Channel
- Webinar listed in the "From Our Advertisers" section of healthsystemCIO
